EXPERIENCE

Art DirectorGame Development
Nomina Games
2021-now

Overseeing the creative team with the aim of achieving client satisfaction is the primary focus of my work. I am responsible for carefully monitoring all aspects of design development and providing effective solutions when needed. My dedication to high quality is reflected in my efforts to enhance the overall design quality.

Responsibilities:

- Overseeing the creative team to achieve producer satisfaction.
- Monitoring all aspects of design development and providing solutions when needed.
- Offering effective design solutions to address challenges and enhance quality.
- Supervising the QA team for positive and negative regression cases.
- Ensuring alignment of social media visuals with the game through monitoring the creative team.
- Overseeing the work of the UI Designer.
- Assisting the Producer as a junior Producer.
- Managing timelines to ensure efficient project management.

Art DirectorGame Development
Gameic Studio
2019-2021

Gameinc is a studio that specializes in creating game assets. They mainly work on game modes for slot games and provide promotional materials as well.

Responsibilities:

- Monitoring timelines to meet deadlines.
- Maintaining visual quality as per the targets.
- Motivating and supporting the entire creative team.
- Communicating with stakeholders to achieve targets.
