Adnan Nur Kurniawan

Android Developer

- Bantul, Daerah Istimewa Yogyakarta
- adnannurkurniawan@gmail.com
- 085174182480

Summary

- I love making mobile app. When there is an idea of a new app I will design it from scratch then working on that on my spare time. I really enjoy every bug that must be solved. At the end I'm glad if my app is useful for other and can be a good heritage someday.
