Hi, I'm Muhammad Bachrul Sidiq, I was born on November 17, 2000 in Manokwari, West Papua and is currently a Fresh Graduate in Informatics Engineering from the University of Muhammadiyah Malang. I really like a number of things related to design such as Graphic Design, UI/UX Design, and others. I'm currently studying a role in UI/UX Design and I can operate several software such as Adobe Illustrator, Premiere Pro, Figma, Windows Office, and other software that supports computer use.
